The St Laurence Network Heritage Trail

There are at least 262 churches dedicated to St Laurence / St Lawrence in the British Isles. Can you visit them all?

We have provided a list of all the churches identified, along with addresses and checkboxes for you to record your visit. We have even filled in St Laurence Priory in Snaith for you on the basis that, if you are holding this document, you must have been here!

The numbers refer to the numbering scheme that we have adopted for the large map and touchscreen in this church. The areas are based on church areas found in "A Church Near Us", so do not always correspond to county names.

On your travels, remember to let us know where you have been. If you can take a few photographs that you are willing to let us use on the touchscreen, that would also be nice. You can contact us as follows:

rector@greatsnaith.org.uk

We have done our best to identify all churches that are dedicated to St Laurence / St Lawrence, but it is not inconceivable that we might have missed one or two. If you come across something that you think should be on the list, please do let us know.

We hope that you enjoy your visit to St Laurence Priory, and that it provokes a desire to find out more about our Patron Saint.

If it inspires you to go and visit some of the churches, or even to visit them all, we will be delighted.

Laurence or Lawrence?

In English-speaking countries Laurence is usually used as a forename, and Lawrence as a surname.

In Rome it would have been Laurentius (or Lavrentivs) but, in fact, our Saint is from Spain so would probably have been Lorenzo!
